International Day of Light

IDL@DEI 15th May 2026

Light for a Sustainable Future

Fiber Photonics, Fiber Lasers & Integrated Photonics

Focus & Programme

- Photonics, including integrated and silicon photonics
- Devices, sensors, lasers and fiber amplifiers
- Young Researcher Talks and poster sessions

Who is it for?

Master's students, PhD candidates,
research fellows, postdoctoral researchers
and early-career researchers

Keynote Speakers

Amadeu Griol Barres

Nanophotonics Technology Center (NTC)
Universitat Politècnica de València

Gianluca Galzerano

Institute of Photonics and
Nanotechnologies (IFN-CNR) - Politecnico
di Milano

Organization

Scientific coordination: Francesco Anelli, Teresa Natale

Event organization: Francesco Dell'Olio

Politecnico di Bari
Italy Section

Location

Aula consiliare DEI – Politecnico di Bari

Società Italiana
di Ottica e Fotonica

Società Italiana
di Fisica
